INSTRUCTIONS																																
<p>Scoring System & Rules: 6 points for a correct answer before superpower break, 5 points from there to power break, 4 points from there to the end of the question, 3 points for a correct answer after the question is finished. An incorrect response results in <u>negative 2</u> points if it occurs before the end of the question, and <u>negative 1</u> point if it occurs after the question has been read to completion. 3 incorrect answers kills the question. Students can only buzz once per question. Students need thirty (30) points to win or automatically take the next highest final position. [25/PO]</p>
